g) **“VWR”** means VWR International, LLC, part of Avantor, Inc., and its divisions, subsidiaries, and affiliated entities utilizing these Terms and Conditions of Sale on their websites, quotation forms, and/or invoices.

2) **Agreement Terms; Acceptance by Customer.** VWR RESERVES THE RIGHT TO ACCEPT OR REJECT ANY ORDER, TO TERMINATE THIS AGREEMENT, OR TO CHANGE THESE TERMS AND CONDITIONS OF SALE, WITHOUT NOTICE TO CUSTOMER, AT ANY TIME FOR ANY REASON, AND RECEIPT BY CUSTOMER OF A VWR QUOTATION, PRICE LIST, OR CATALOG DOES NOT CONSTITUTE AN OFFER TO SELL. ALL SALES BY VWR ARE SUBJECT TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, AND EXPRESSLY CONDITIONED UPON CUSTOMER'S ASSENT THERETO. CUSTOMER WILL BE DEEMED TO HAVE ACCEPTED THESE TERMS AND CONDITIONS BY ISSUING A PURCHASE ORDER OR BY ANY OTHER STATEMENT (INCLUDING, WITHOUT LIMITATION, VIA E-MAIL), ACT, COURSE OF CONDUCT, DEALING, OR PERFORMANCE CONSTITUTING ACCEPTANCE UNDER APPLICABLE LAW, INCLUDING, WITHOUT LIMITATION, FAILURE TO OBJECT IN WRITING TO THESE TERMS AND CONDITIONS WITHIN A REASONABLE TIME OR BY ACCEPTANCE OF AND/OR PAYMENT FOR THE PRODUCTS OR SERVICES. ALL PURCHASE ORDERS OR SIMILAR ORDER INSTRUMENTS ISSUED BY CUSTOMER WILL BE GOVERNED ONLY BY THE TERMS AND CONDITIONS OF THIS AGREEMENT, AND ANY ADDITIONAL AND/OR INCONSISTENT TERMS AND CONDITIONS SET FORTH IN ANY ACKNOWLEDGMENT, PURCHASE ORDER, OR ACCEPTANCE DOCUMENTS REQUESTED FROM AND/OR PROVIDED BY

CUSTOMER ARE EXPRESSLY REJECTED. NEITHER VWR'S DELIVERY OF THE PRODUCTS NOR PROVISION OF THE SERVICES NOR ANY OTHER ACTION, CONDUCT, OR PERFORMANCE SHALL CONSTITUTE ACCEPTANCE OF TERMS OR CONDITIONS DIFFERENT FROM THE TERMS AND CONDITIONS OF THIS AGREEMENT.

3) Delivery. Domestic delivery of all Products will be FCA Origin Dock (Incoterms 2010), and title and risk of loss in all Products will transfer to Customer upon VWR's delivery of such Products to the carrier or agent at VWR's or VWR's supplier's facility, as applicable, regardless of the freight term specified for transportation purposes. Unless otherwise agreed to by VWR in writing, VWR reserves the right to choose the carrier, forwarding company, and means of transport. Where and to the extent permitted by applicable law, shipping and handling fees, special packaging materials, carrier surcharges (including, without limitation, fuel surcharges), shipping pallettes, environment-controlled shipping, and/or hazardous material fees imposed by government regulation will be added separately to the invoice. Customer acknowledges that VWR may refer to shipping and other fees on VWR's invoices as "freight," "handling fees," "expense recovery," or similar terms. The shipping and other fees that VWR charges may not be limited to VWR's actual transportation costs and may include other shipping and handling costs.

Shipping and/or delivery dates set forth in a VWR quotation or order acknowledgement are based on estimates at the time of the quotation or order acknowledgement. VWR shall use commercially reasonable efforts to ship the Products in accordance within the shipping and/or delivery dates, provided that the foregoing will not constitute a guaranty of compliance with the quoted shipping and/or delivery dates, and VWR will not be liable for any direct or indirect costs or damages incurred by Customer or any third party, including, without limitation, incidental or consequential damages, resulting from late deliveries.

4) Damaged Shipments; Inspection. Customer shall immediately inspect all deliveries for shipping damage upon receipt. If any external damage is noticed, Customer shall accept the shipment only after the driver has noted the damage on both carrier's and Customer's copies of the delivery receipt and Customer has requested an inspection by the carrier. Customer shall keep all containers and packing material for inspection. Customer shall promptly inspect all shipments for concealed shipping damage, defects, or shortages, notify VWR of any such damage, defect, or shortage, and cooperate with VWR in arranging an inspection by the carrier and the filing of a freight claim as applicable; provided that on all sales where Customer arranges transportation, in the event of loss or damage in transit, Customer should file its own claim with the carrier. With respect to shipping damage, Customer must contact VWR to request inspection within twenty-four (24) hours of delivery or unconditionally waive any right to make any claim relating to the damaged Products, including, without limitation, under the warranty set forth herein. With respect to other claims, Customer's failure to notify VWR within thirty (30) days of delivery (or Customer's non-receipt of the Products in the case of non-delivery) of defects or shortages reasonably discoverable upon proper inspection will be deemed an unconditional waiver of any right to make any claim relating to the defective or missing Products, including, without limitation, under the warranty set forth herein.

5) Export Shipment Terms. Unless otherwise agreed to by VWR in writing, delivery of orders by VWR exports will be EXW Origin Dock (Incoterms 2010). Customer will have fifteen (15) days to pick up the order after being notified by VWR of freight availability at VWR's designated Named Place, after which VWR reserves the right to assess and bill Customer for storage fees, including but not limited to demurrage. For routed exports, where Customer's nominated freight forwarder is used, all claims for damage will be the responsibility of Customer.

6) Prices.

a) Products. Unless explicitly specified in a written price quotation, all prices and Product specifications are subject to change without prior notice to Customer. VWR price quotations are valid for the period specified on the quotation; provided, however, that quoted pricing is subject to adjustment based on shipment arrangements or other terms and conditions which were not part of VWR's original price quotation. If VWR has not provided a price quotation, pricing will be determined based on the Product price published on VWR's website at the time of the order. For orders for Manufactured Products placed prior to any annual price change with shipment occurring after such annual price change, VWR reserves the right to change its price to Customer to the current Product price as of the date of shipment.

b) Fixed-Price Services. The price to Customer for fixed-price Services will be as set forth in the respective SOW. Unless otherwise expressly stated in each applicable SOW: (i) all Service fees are quoted on a monthly basis, and Customer shall pay such Service fees regardless of temporary planned or unplanned Customer site closures; (ii) all prices stated in the SOW will be subject to an annual review and increase, effective January 1 of each calendar year for the duration of the Services engagement; and (iii) overtime that is approved by Customer will be billed to Customer at the hourly overtime rate set forth in the applicable SOW. All monthly Services fees are due in full regardless of whether VWR on-site employees or subcontractors were present at Customer's site(s) each day (or each hour of each day) for the applicable month that is being invoiced, provided that the Services in any applicable SOW have otherwise been materially performed. Additional Services or change in scope in any applicable SOW(s) may require additional resources to meet the appropriate service level. In the event that additional resources are needed, the parties will review the applicable SOW and negotiate the scope of the Services performed and/or any Services cost increase. The fees and charges for any follow-on or additional work not described in the applicable SOW will be performed at VWR's then-current rates for such work.

c) Other Services. Prices for Services not covered under a fixed-price SOW will be those prices in effect at the time the Services are provided or quoted, and may be adjusted to include any necessary surcharge(s). Unless otherwise agreed by VWR in writing, VWR prices do not include the cost of any related inspections, inspection fees, or permits. Prices for billable parts will be VWR's standard rates in effect at the time of installation. Subject to the limited warranties specified herein, the sale of billable parts will be considered final. If equipment requires major repair outside the scope of any contract with Customer, VWR will provide Customer with an itemized estimate of the cost to perform said repair. Installation terms for purchase orders for the installation of scientific

laboratory equipment or furniture will be as set forth on VWR's quotation form.

d) Sales Tax. Taxes, where applicable, will be added as a separate line item to the invoice price. Customer shall pay to VWR the amount of any Taxes. If any claim is made against VWR for any such Taxes, VWR shall promptly notify Customer of the amount of such Taxes and Customer shall promptly pay such amount to VWR or its designated payee. If Customer possesses or otherwise enjoys tax-exempt status, Customer shall provide a duly authorized certificate of tax exemption to VWR prior to or at the time of order placement or as otherwise requested by VWR from time to time, and shall notify VWR upon change in Customer's tax-exempt status. Customer will be responsible for any Medical Device Excise Tax for IRS purposes for any Products that are medical devices purchased by Customer hereunder.

7) Payment Terms. Customer shall pay individual invoices net thirty (30) days from date of invoice, unless other credit terms are agreed to in writing by VWR; summary invoices, if any, will be due as agreed. Payments are to be made in the currency invoiced by VWR. Customer shall provide VWR, concurrent with each payment, with remittance information in sufficient detail (to the invoice level or line level, as applicable) to allow VWR to properly apply payments or credit memos to outstanding receivable(s) on VWR's accounts receivable sub-ledger for Customer. Any payments received no later than 2.00 PM Eastern Time at VWR's lockbox will be credited to Customer's account as of the date received, while payments received after 2.00 PM Eastern Time will be credited to Customer's account the following business day. Payment in the form of a check will be credited once the deposit appears in VWR's bank account; no post-dated checks will be accepted. Delinquent accounts will be subject to a service charge on past due amounts of the lesser of between one and one-half percent (1.5%) and three percent (3%) per month, depending on region, or the maximum amount permitted by law, plus Taxes, reasonable attorneys' fees, and other collections costs, if any, incurred by VWR. VWR recommends payments be made by wire transfer or ACH method to ensure timely receipt by VWR. VWR reserves the right to: (i) require C.O.D. (subject to a handling fee) or impose more stringent payment requirements (including, without limitation, payment in advance) on Customer if Customer's account is overdue or if Customer has an unsatisfactory credit or payment record, as determined by VWR in its sole discretion, and to refuse to sell to Customer or otherwise perform hereunder until all overdue amounts are paid in full; (ii) charge a convenience fee on any post-sale credit card payments by Customer; (iii) charge a fee for any checks rejected due to insufficient funds; (iv) charge a service fee for any re-invoicing requested by Customer; and (v) furnish payment history data and related information to third party companies for fraud protection and credit risk reduction.

8) Security Interest. If Customer fails to pay the total sum due hereunder within sixty (60) days of shipment, VWR hereby reserves and Customer hereby grants a purchase money security interest in the Products sold hereunder and the proceeds thereof. In the event of default by Customer of any of its obligations to VWR, VWR shall have the right to repossess the Products sold hereunder without liability to Customer. Customer hereby authorizes VWR to file one or more financing statements signed only by VWR without Customer's signature and to use a copy of this Agreement as an exhibit to any financing statement. Upon request of VWR, Customer agrees to promptly execute financing statements and such other instruments as VWR desires to perfect or maintain its security interest.

9) Cancellation and Product Return Policy. Except for Products that do not meet the limited Product warranty set forth herein, Customer may only cancel or return Products in accordance with the following:

a) Customer may not cancel or modify an order without the prior written consent of VWR, which may be withheld for any reason or no reason at all, and any changes may be subject to price adjustment and/or cancellation fees. Custom Products are not cancellable. In the event VWR consents to the cancellation of Custom Products, Customer shall reimburse VWR for any and all goods or services that were procured by VWR for the Custom Products, any works-in-progress for Custom Products, and any charges incurred by VWR for the receipt or return of goods used to build Custom Product(s). If any Services hereunder are canceled or terminated, Customer will pay to VWR the reasonable costs and expenses incurred by VWR prior to receipt of notice of such cancellation, plus VWR's usual rate of profit for similar work. The minimum cancellation charge for Services is fifteen percent (15%) of the total Services price.

b) All Product returns must be authorized by VWR, and VWR reserves the right to reject any returns requested more than thirty (30) days after the delivery date. VWR must receive all authorized returns within thirty (30) days of the return authorization. Custom Products are not returnable. VWR reserves the right to reject any return shipment of Product that has not been authorized by VWR or to return such shipment to Customer at Customer's expense. If any Product is erroneously shipped to or returned to a VWR facility, Customer will be responsible for removing the Product from VWR's facility immediately in accordance with applicable laws and regulations. All returns are subject to a minimum fifteen percent (15%) restocking charge for Sourced Products and a minimum twenty-five percent (25%) restocking charge for Manufactured Products. In the event VWR authorizes a return of Manufactured Products, Customer will be responsible for all disposal fees in addition to any restocking charges. Customer is responsible for all transportation fees related to returned Product unless otherwise authorized in advance by VWR. To ensure proper credit, each Product return must include the following information:

- i)** Customer Name and Address

d) Where the return of hazardous material is authorized by VWR, Customer shall pack and label each return shipment of hazardous materials in accordance with applicable laws and regulations applying to transportation of hazardous materials and provide shipping documents that comply with applicable laws and regulations. When necessary, Customer shall include with each return shipment of equipment a certification from an authorized representative of Customer that the equipment was properly decontaminated in accordance with applicable laws and regulations and recommended guidelines. Customer shall ship the Product to the service center indicated by VWR with the transportation charges prepaid. To ensure prompt handling, Customer shall place the return authorization number on the outside of the package and utilize any return authorization provided by VWR as a packing slip with the returned Products. All returned Products are subject to VWR’s inspection and acceptance. Title and risk of loss in the returned Products will transfer to VWR only upon VWR’s acceptance of the Products.

e) In the event a VWR entity establishes a returns and/or cancellation policy that differs from the terms set forth in this Section 9, the stricter VWR requirement shall prevail in the event of a conflict.

10) Weights and Containers.

a) VWR’s weights and counts shall govern unless proved to be in manifest error.

b) Unless covered by separate contract, returnable containers (each, a “Container”) are the property of VWR and are leased to Customer. Payment of a deposit or rental fee, when required by VWR, does not convey title to such Containers. Customer shall return each Container empty, as defined pursuant to U.S. Environmental Protection Agency regulation 40 CFR 261.7, within sixty (60) days from date of shipment, freight charges collect and in compliance with applicable laws and regulations, including but not limited to those of the U.S. Department of Transportation. c) Customer is responsible for any damage, destruction, or misuse of the Containers caused by Customer, normal wear and tear excepted. Customer shall not use or permit the use of the Containers in a manner that will permit the introduction of any contamination or of any liquid, solid, or gas, except inert gas for propellant purposes (not including oxygen or compressed air), into the Containers. VWR reserves the right to charge for loss of use of a Container as a result of Customer loss, damage, contamination, improper handling, or other action that prevents VWR from using the Container in the normal course of business, including, without limitation, any Container repair and/or Container cleaning fees for any Containers that are damaged or contaminated but serviceable or that have opened tamper-evident seals, if applicable. Customer also agrees to pay to replace any Container which is lost or damaged beyond repair by Customer. Additional terms and conditions or policies, as posted on VWR’s website or otherwise communicated to Customer from time-to-time, may apply to VWR’s provision of Containers.

11) Product and Services Warranties; Limitation of Liability.

a) Limited Product Warranty for Sourced Products. VWR warrants to the original Customer only that all Core Products sold hereunder will conform to the manufacturer’s specifications and release tolerances for a term equal to the warranty period stated in the Product manufacturer’s literature. Notwithstanding the foregoing, any Core Products that are software and any software incorporated in or necessary to use the Core Products (“Software Products”) are warranted solely by the applicable manufacturer or licensor, and VWR shall pass through, to the extent permitted, the manufacturer’s and/or licensor’s warranties. Customer’s use of any Software Product is subject to the terms and conditions of the manufacturer’s and/or licensor’s license terms, including any end user license agreement, in whatever form (e.g., terms packaged with the Software Products or “click-through” terms), in addition to this Agreement. For all MarketSource Products, VWR shall use reasonable efforts to assist Customer in obtaining sellers’ and manufacturers’ warranties applicable to the Products sold to Customer hereunder, consistent with the warranties obtained from such sellers and manufacturers by VWR.

b) Limited Product Warranty for Manufactured Products. VWR warrants to the original Customer only that Self-Manufactured Products will materially conform to VWR’s standard specifications in effect on the date of shipment for the shorter of ninety (90) days from the date of delivery or the shelf-life of the Self-Manufactured Product. For a period of ninety (90) days from the date of delivery, VWR warrants to the original Customer only that Custom Products will be assembled or manufactured, as applicable, to the specifications provided by Customer and agreed upon by VWR. The foregoing warranties are limited to Manufactured Products, as applicable, bearing VWR’s label in VWR’s original packaging. subject to a plus or minus (+/-) ten percent (10%) yield policy with regard to volume produced.

c) Services Warranty. VWR warrants that Services provided hereunder will be of the kind and quality designated and will be performed by qualified personnel. VWR shall use reasonable efforts, based on the information supplied by Customer, to have all Services performed in a workmanlike and professional manner by employees or subcontractors of VWR having a level of skill commensurate with the requirements of this Agreement. VWR's performance of the Services called for by this Agreement do not and will not violate any applicable law, rule, or regulation; any contracts with third parties; or any third-party rights in any patent, trademark, copyright, trade secret, or similar right. The following warranty periods will apply to the Services: (i) thirty (30) days after the work is completed for Services performed under an existing Services engagement; (ii) forty-eight (48) hours for any Services not performed under an existing Services engagement (a "call service"); or (iii) one (1) year from the installation date on installation Services for laboratory casework. All parts provided by VWR in performing the Services will meet the manufacturer's specifications for a term equal to the warranty period stated in the part manufacturer's literature.

d) Exclusions. Customer must notify VWR of defective or non-conforming Products within the warranty periods specified in the limited Product warranty set forth herein or within thirty (30) days after Customer learns of the facts giving rise to the claim, whichever first occurs, and Customer's failure to give notice of any claim within the applicable time period shall be deemed an absolute and unconditional waiver of such claim. The liability of VWR under the limited Product warranty set forth herein will not extend to any Products that are abused, altered, improperly stored, or misused by Customer or any other persons or entities or that become defective or non-conforming through the actions or inaction of Customer or any other persons or entities, including through the combination with other chemicals or products. Customer will have the obligation of substantiating the chain of custody of the Products following delivery of the Products to Customer. VWR is not responsible for the impact of factors including, without limitation, machine cycles, sanitation, humidity, and operator practices (including, without limitation, misuse, abuse, and/or negligent operation, or unauthorized modifications, adjustments, and/or repairs) on serviced equipment and will not be required to perform Services or provide the warranty set forth herein on equipment subjected to such factors. Any Services performed by VWR on equipment subjected to such factors will be on a time and materials basis only. All formulae, drawings, illustrations, descriptive matter, and particulars contained in VWR's catalogs, website, and marketing materials, and any technical advice or other statements given by VWR or its representatives with respect to the use of the Products or any results that may be obtained therefrom, are indicative only and do not form a part of this Agreement and are not representations and warranties of any kind.

e) Disclaimer. VWR HEREBY DISCLAIMS ALL OTHER WARRANTIES, CONDITIONS, OR GUARANTEES WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT, WHETHER STATUTORY, WRITTEN, ORAL, EXPRESS, OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY (i) WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, SUITABILITY, SUSTAINABILITY, OR FITNESS FOR A PARTICULAR PURPOSE; (ii) WARRANTY ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE; AND (iii) ANY IMPLIED OR EXPRESS WARRANTY OF CONFORMITY TO MODELS OR SAMPLES OF MATERIALS.

f) Product Remedy. At VWR's request, Customer shall promptly forward to VWR any allegedly defective or non-conforming Product or a representative sample thereof, as specified by VWR. If any Product warranted hereunder proves defective or non-conforming, as determined by VWR in its sole reasonable discretion, VWR's sole and exclusive obligation and Customer's sole and exclusive remedy hereunder will be for VWR, at VWR's option, to: (i) replace at no cost to Customer, any such defective or non-conforming Product with a non-defective or conforming Product; (ii) in the event a return is authorized, credit Customer's account for all amounts paid with respect to the defective or non-conforming Product upon VWR's receipt of, and opportunity to evaluate, the defective or non-conforming Product; or (iii) repair or have repaired (including, through re-working or re-processing, as applicable) a defective or non-conforming Product. In the event of replacement, the replacement Product will be warranted for the remainder of the original warranty period. For purposes of this Agreement, a defective or non-conforming Product is defined only as a Product that does not meet the limited product warranty set forth herein, and excludes Products that fail to meet any fitness of use by Customer or any unique Customer operating conditions or applications.

g) Services Remedy. With respect to the labor, if any Services warranted hereunder prove defective or non-conforming, VWR's sole liability and Customer's sole remedy hereunder will be for VWR, at VWR's option to: (i) re-perform the Services, at no cost to Customer; or (ii) credit Customer's account for all amounts paid with respect to the defective or non-conforming Services. With respect to any parts provided by VWR in performing the Services, if any such parts prove defective or non-conforming during the first thirty (30) days after installation, VWR's sole liability and Customer's sole remedy hereunder will be for VWR, at VWR's option, to: (i) refund the purchase price; or (ii) modify, repair, or supply a replacement part, including labor and travel, free of charge to Customer. For the remainder of the warranty period, VWR's sole liability and Customer's sole remedy hereunder will be for VWR, at VWR's option, to: (i) refund the purchase price; or (ii) modify, repair, or supply a replacement part, provided Customer agrees to pay reasonable labor, travel time, and expenses to and from a service location authorized by VWR. VWR, at its option, may require Customer to return the part to VWR, F.O.B. origin, or may modify, repair, or supply a replacement part at the point of installation. VWR will accept no responsibility if such part has been improperly operated or maintained, or if Customer has permitted any unauthorized or third-party modifications, adjustments, and/or repairs to the part.

h) Waiver. Customer acknowledges that VWR is not the manufacturer of any of the Sourced Products sold hereunder. Customer hereby waives any and all actions, claims, suits, and demands of any type whatsoever (including, without limitation, claims based on strict liability, products liability, tort, or contract) against VWR, its subcontractors, or its agents, or any of its or their respective employees, for personal injury, wrongful death, or property damage arising out of or in any way connected with the Services or Customer's receipt, handling, storage, possession, transportation, disposal, purchase, resale, or use of the Products (whether used

singly or in combination with other products), except to the extent caused by the gross negligence of VWR, its subcontractors, or its agents, or any of its or their respective employees. Notwithstanding any other provision of this Agreement, VWR disclaims, and Customer releases VWR from, any and all liability for claims based upon the death or bodily injury to any person or for the loss of, damage to, or destruction of any property so long as VWR, its subcontractors, or its agents were acting in compliance with Customer policies, procedures, and specifications of which VWR had been given notice.

i) Limitation of Liability. IN NO EVENT WILL VWR HAVE ANY OBLIGATION OR LIABILITY FOR ANY EXEMPLARY, PUNITIVE, INCIDENTAL, INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, REVENUE, BUSINESS, USE, DATA, PRODUCTIVITY, OR GOODWILL OR COST OF CAPITAL, RECALL, OR COVER) WHETHER BASED ON CONTRACT (INCLUDING, WITHOUT LIMITATION, WARRANTY), TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE), STRICT LIABILITY, OR ANY OTHER THEORY OR FORM OF ACTION, EVEN IF VWR HAS BEEN ADVISED OF THE POSSIBILITY THEREOF. THE TOTAL LIABILITY OF VWR (INCLUDING ITS SUBCONTRACTORS AND AGENTS), IF ANY, FOR DAMAGES RELATING TO THIS AGREEMENT OR ANY PRODUCT OR SERVICE WILL BE AN AMOUNT EQUAL TO THE PRICE OR FEES PAID FOR THE PARTICULAR PRODUCT(S) OR SERVICES IN RESPECT TO WHICH SUCH DAMAGES ARISE, IN NO EVENT TO EXCEED \$1,000,000 UNITED STATES DOLLARS. HOWEVER, THESE PROVISIONS DO NOT LIMIT OUR LIABILITY THAT CANNOT BE LIMITED BY LAW.

12) Indemnity. Customer shall indemnify, defend, and hold harmless each of VWR, its subsidiaries, affiliated entities, and divisions, and its or their respective successors, assigns, officers, directors, shareholders, subcontractors, agents, employees, and representatives (each, a “Customer-Indemnified Party”) from and against, and in respect of, any and all actions, claims, suits, judgments, damages, liabilities, losses, settlement payments, penalties, costs, and expenses (including, without limitation, attorneys’ fees) of every kind whatsoever (collectively, “Damages”) arising out of, from, or in connection with any: (i) patent, copyright, or trademark infringement, or violation of any other proprietary right, arising out of the use of any Product or any specifications furnished by Customer; (ii) breach by Customer of any term or provision of this Agreement; (iii) Damages arising out of or relating to Customer’s receipt, handling, storage, possession, transportation, disposal, purchase, resale, or use of any Product (whether used singly or in combination with other products); and (iv) wrongful or negligent act or omission by any of Customer or its officers, directors, shareholders, agents, servants, employees, and representatives; provided, that this section will not obligate Customer to indemnify any Customer-Indemnified Party for any portion of Damages directly attributable to, and directly caused by, the negligence of a Customer-Indemnified Party. Customer may not settle any such claim against a Customer-Indemnified Party without the prior written consent of such Customer-Indemnified Party. If Customer elects not to assume such defense, the Customer-Indemnified Party may elect to do so and Customer shall pay all costs and expenses of counsel selected by such Customer-Indemnified Party in connection with such defense. Any legal counsel appointed by Customer to defend such a claim must be experienced in the type of litigation involved and must be reasonably satisfactory to the Customer-Indemnified Party. Customer and each Customer-Indemnified Party shall cooperate fully in connection with all matters related to the defense of any such claim.

13) Customer’s Obligations, Products. Customer represents and warrants that it is familiar with the characteristics, qualities and uses of the Products that it is purchasing from VWR and acknowledges that there may be hazards associated with the possession and use of the Products. Customer is responsible for instructing and warning its employees and all other persons who may come into contact with the Products regarding such hazards. Unless otherwise expressly stated on the Products or in the documentation accompanying the Products, the Products are intended for research only and are not to be used for any other purpose, including, without limitation, unauthorized commercial uses, in vitro diagnostic uses, ex vivo or in vivo therapeutic uses, or any type of consumption by or application to humans or animals, and VWR does not assume any warranty or liability for such uses unless stated on the Product or in the Product documentation. Customer is solely responsible for conducting all necessary testing and verification, including for fitness for the intended purpose, prior to the use of Product(s) purchased from VWR.

14) Customer’s Obligations, Services.
